

Redwood Alumni Meeting Notes
5-7-08

Present: Karen Barrett, Deb Bendenelli, Sue Chelini, Paula Daly, Jean Howe, Robin Moeller, Marilee Rogers, Nancy Scott, Richard Torney

Next Meetings: Wednesdays: August 20 and September 3

Reports:

- Paula reported on progress of the Friday night reunion of the first four classes.
- Deb said that Larkspur & CM fire departments would not be able to do the Pancake Breakfast. Sue was going to check with Ralph McLeran for Kentfield FD. Deb hasn't heard from Becky. Deb will be more in charge of music. She talked to Sid Gordon who is not available in July but will be in April,
- Sue met with TCPD Commander Mike McDuffie and Officer Gordon Terrell about traffic, noise, parking, etc. Gordon will be the TCPD liaison to our committee as we need him. She talked to Larkspur FD and no go. Will check w/American Legion and/or Kentfield FD. Robin said she works w/American Legion & Boy/Girl Scouts for the 4th of July Pancake Breakfast. She will follow up with that lead.
- Karen reports that the archives are going. They are gathering and selling old yearbooks. Tom Kaun is establishing a History Club. She is working with Mike Dibley on the Hall of Fame, but nothing has yet been done
- Marilee:
 - She reported the Directory has been published with a CD and circulated a copy. It turned out beautifully. She has a few free copies that can be loaned. One is in the Library; another in the Principal's Office. Copies won't actually be mailed to alumni until after June 1.
 - Nov. 15 has been designated as the alumni homecoming football game. Maybe the Pigskin Club will work with us. There was some concern that this date is too late.
 - She met w/Nancy Neu today. She approved the kick off ceremony on Wednesday, Sept. 10 during lunch. Students are to gather things for a time capsule. Richard made suggestions about a time capsule container. The dimensions of the space are 30"x30". Who should be invited to attend?
 - The Student Store is going on-line next year, so alumni can order Redwood products using a credit card.
 - We still need a PTSA representative.
 - We need an EVENT PLANNER! Robin was going to check with this years Rock for Redwood chairs.
 - Finances: Our checking account is at the Redwood Credit Union. Veronica Tunnucci of the R/W Foundation will help.

- Richard said his calendar person can't meet our needs. He went to a fundraiser at MV Rec Center that had antique cars and has a contact for a '58 or '59 car we might be able to use in the parade.

Assignments:

- Robin: Check w/American Legion & Boy/Girl Scouts about Pancake Breakfast. Check w/this year's Rock for Redwood chairs about helping with event planning.
- Sue: Check w/Dave Plescia about Yearbook class doing calendar. Check w/Ralph McLeran about possibilities for Pancake Breakfast. Check w/CM about a booth at 4th of July.
- Karen: Talk to Jim Nelson about printing of calendar and Pigskin Club working with an alumni home football game.
